It should be noted that unless the duly completed PAL, together with the appropriate remittance, has been lodged with the Registrar by no later than 4:00 p.m. on Thursday, 12 January 2017, whether by the original allottee or any person in whose favour the provisional allotment has been validly transferred, that provisional allotment and all rights and entitlement thereunder will be deemed to have been declined and will be cancelled and such Rights Shares will be available for application under the EAFs by the Qualifying Shareholders. The Company may, at its sole discretion, treat a PAL as valid and binding on the person(s) by whom or on whose behalf it is lodged even if the PAL is not completed in accordance with the relevant instructions.

If the Qualifying Shareholders wish to accept only part of the provisional allotment or transfer part of their rights to subscribe for the Rights Shares provisionally allotted to them under the PAL or transfer part/all of their rights to more than one person, the original PAL must be surrendered for cancellation by no later than 4:30 p.m. on Wednesday, 4 January 2017 to the Registrar, who will cancel the original PAL and issue new PALs in the denominations required. The new PALs will be available for collection from the Registrar at Shops 1712–1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Wanchai, Hong Kong, after 9:00 a.m. on the second Business Day after the surrender of the original PAL.

The PAL contains further information regarding the procedures to be followed for acceptance and/or transfer of the whole or part of the provisional allotment of the Rights Shares by the Qualifying Shareholders. All cheques or cashier’s orders will be presented for payment immediately following receipt and all interest earned on such monies (if any) will be retained for the benefit of the Company. Completion and return of the PAL with a cheque or a cashier’s order will constitute a warranty by such person that the cheque or the cashier’s order will be honoured on first presentation. Without prejudice to the other rights of the Company in respect thereof, the Company reserves the right to reject any PAL in respect of which the cheque or cashier’s order is dishonoured on first presentation, and in that event the provisional allotment and all rights thereunder will be deemed to have been declined and will be cancelled.

## LETTER FROM THE BOARD

No receipt will be given in respect of any application monies received.

If the Underwriter exercises the right to terminate or rescind the Underwriting Agreement or if any of the conditions of the Rights Issue as set out in the paragraph headed “Conditions of the Rights Issue and the Bonus Issue” below is not fulfilled or waived (as applicable) at or before 5:00 p.m. on Monday, 16 January 2017 (or such later time as the Company and the Underwriter may agree in writing), the remittance received in respect of acceptances of the Rights Shares will be returned to the Qualifying Shareholders or such other persons to whom the Rights Shares in the nil-paid form have been validly transferred or, in the case of joint acceptances, to the firstnamed person without interest, by means of cheques despatched by ordinary post at the risk of such Qualifying Shareholders or such other persons to their registered addresses by the Registrar on or before Monday, 23 January 2017.

### **Application for excess Rights Shares**

Qualifying Shareholders shall be entitled to apply for (i) any Rights Shares provisionally allotted but not accepted by the Qualifying Shareholders; and (ii) any Rights Shares arising out of the aggregation of fractional entitlements. Application may be made by completing the EAF for excess Rights Shares and lodging the same with a separate remittance for the excess Rights Shares being applied for. The Company will allocate the Rights Shares in excess of the entitlement at its discretion on a fair and equitable basis to the Qualifying Shareholders who have applied for excess Rights Shares. Shareholders who have been offered odd lots of the Rights Shares should note that there is no guarantee that such odd lots of the Rights Shares will be topped up to create whole board lots pursuant to applications for the excess Rights Shares. The Directors will allocate the excess Rights Shares at their sole discretion on a fair and equitable basis on the following principles:

- (i) no preference will be given to applications for topping-up odd-lot holdings to whole-lot holdings as the giving of such preference may potentially be abused by certain investors by splitting their Shares and thereby receiving more Rights Shares than they would receive if such preference is not given, which is an unintended and undesirable result; and
- (ii) subject to availability of excess Rights Shares, the excess Rights Shares will be allocated to the Qualifying Shareholders who have applied for excess application on a pro rata basis based on the excess Rights Shares applied for by them. No reference will be made to Rights Shares subscribed through applications by PAL or the existing number of Shares held by the Qualifying Shareholders.

Shareholders with their Shares held by a nominee company should note that the Board will regard the nominee company as a single Shareholder according to the register of members of the Company. Accordingly, Shareholders should note that the aforesaid arrangement in relation to the allocation of the excess Rights Shares will not be extended to beneficial owners individually.

## LETTER FROM THE BOARD

If a Qualifying Shareholder wishes to apply for any Rights Shares in addition to his/her/its provisional allotment, he/she/it must complete and sign the enclosed EAF in accordance with the instructions printed thereon and lodge the same with a separate remittance for the amount payable on application in respect of the excess Rights Shares being applied for with the Registrar at Shops 1712–1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Wanchai, Hong Kong by no later than 4:00 p.m. on Thursday, 12 January 2017. All remittances must be made in Hong Kong dollars by cheques which must be drawn on a bank account with, or by cashier’s orders which must be issued by, a licensed bank in Hong Kong and made payable to “**China New Economy Fund Limited — Excess Application Account**” and crossed “**Account Payee Only**”. The Registrar will notify the relevant Qualifying Shareholders of any allotment of excess Rights Shares made to them.

If no excess Rights Shares are allotted to a Qualifying Shareholder who has applied for excess Rights Shares, the remittance tendered on application is expected to be returned by refund cheque to that Qualifying Shareholder in full without interest by ordinary post at his/her/its own risk by the Registrar on or before Monday, 23 January 2017. If the number of excess Rights Shares allotted to a Qualifying Shareholder is less than that applied for, the surplus remittance without interest is also expected to be returned by refund cheque to that Qualifying Shareholder by ordinary post at his own risk by the Registrar on or before Monday, 23 January 2017.

All cheques or cashier’s orders will be presented for payment immediately following receipt and all interest earned on such monies (if any) will be retained for the benefit of the Company. Completion and return of the EAF together with a cheque or a cashier’s order in payment for the excess Rights Shares applied for will constitute a warranty by the applicant that the cheque or the cashier’s order will be honoured on first presentation. Without prejudice to the other rights of the Company in respect thereof, the Company reserves the right to reject any EAF in respect of which the cheque or cashier’s order is dishonoured on first presentation.

The EAF is for use only by the person(s) to whom it is addressed and is not transferable. All documents, including cheques or cashier’s orders for amounts due, will be sent by ordinary post at the risk of the person(s) entitled thereto to their registered addresses by the Registrar. The Company may, at its discretion, treat an EAF as valid and binding on the person(s) by whom or on whose behalf it is lodged even if the EAF is not completed in accordance with the relevant instructions. No action has been taken to permit the offering of the Rights Shares or the distribution of the Prospectus Documents in any territory other than Hong Kong. Accordingly, no person receiving a copy of the EAF in any territory outside Hong Kong may treat it as an offer or invitation to apply for the excess Rights Shares, unless in a territory where such an offer or invitation could lawfully be made without compliance with any registration or other legal and regulatory requirements thereof. Completion and return of the EAF together with a cheque or cashier’s order in payment for the excess Rights Shares applied for will constitute a warranty and representation from such Qualifying Shareholder(s) to the Company that all registration, legal and regulatory requirements of all relevant jurisdictions in connection with the EAF and any application thereunder, have been, or will be, duly complied with. For the avoidance of doubt, neither HKSCC nor HKSCC Nominees Limited will give, or

## **LETTER FROM THE BOARD**

be subject to, any of the above warranty and representation. The Company reserves the right to refuse to accept any application for excess Rights Shares where it believes that doing so would violate the applicable securities or other laws or regulations of any jurisdiction.

### **Certificates of the Rights Shares and the Bonus Shares and refund cheques**

Subject to fulfillment of the conditions of the Rights Issue, share certificates for all fully paid Rights Shares and the Bonus Shares are expected to be posted on or before Monday, 23 January 2017 to those entitled thereto by ordinary post at their own risk.

### **Application for listing**

Dealings in the Rights Shares (both in nil paid and fully paid forms) and the Bonus Shares on the Stock Exchange will be subject to the payment of stamp duty (if any), Stock Exchange trading fee, SFC transaction levy and any other applicable fees and charges in Hong Kong.

### **BUSINESS REVIEW, FINANCIAL AND TRADING PROSPECT OF THE COMPANY**

The Company is an investment company listed under Chapter 21 of the Listing Rules. The investment objective of the Company is to achieve long-term capital appreciation through investing globally in both private and publicly listed enterprises that have demonstrated the ability to manufacture a product or deliver a service that is supported by the economies of the PRC, Hong Kong, Macau and Taiwan.

During the six months ended 30 June 2016 (the “**Period**”), China has been faced with complicated external and domestic economic conditions. The national economy is showing moderate but stable and sound momentum of development. According to the data of the National Bureau of Statistics of China, the gross domestic product (“**GDP**”) of China in the first half of 2016 increased by 34,063.7 billion RMB over the corresponding period, which represents an increase of 6.7% compared with the first half of 2015. The GDP of the second quarter of 2016 went up by 1.8% on a quarter-to-quarter basis.

During the Period, the benchmark of Shanghai Composite Index dropped 17.22%, while Hang Seng Index declined 5.11%. The Company has adopted a different investment approach and implementing a better strategy. By expanding our horizon, our investment team worked closely with variety of professional analysts for more timely reliable resources. This method allows the Company to detect investment opportunities from the emerging sectors efficiently and benefiting from substantial net asset appreciation. The Company will continue to develop its investment strategies with an aim to achieve stable return on investments for our shareholders.

In addition, the Chinese economic growth is expected to enter an L-shaped trajectory for the next few years, and China will maintain its accommodative monetary policy. During the Period, the People’s Bank of China has lowered once, the reserve requirement ratio (“**RRR**”) from 17.5% to 17% for all banks. The reduction of RRR is to add more liquidity to its market to help spur bank lending and combat slowing growth.

During the Period, the Company has invested an additional private equity, making a total of six private equities and equity fund investments in our diversified portfolio. The new private equity is specialised in conducting investments in pre-initial public offerings (“**IPO**”) equities. The Company believes it will bring a potential return in the longrun. Our Company will explore more investment opportunities toward private equities.

We are continuously optimistic towards the information technology (“**IT**”), healthcare, education, environmental and creative culture industries as they will continue to benefit from the transformation of Chinese economy.

## LETTER FROM THE BOARD

The Company will continue to deploy an investment strategy focusing on Greater China and closely monitor the changes in the global market. With our professional and experienced investment and risk management team, we are confident to capture valuable investment opportunities to maximize profit to our shareholders.

### **REASONS FOR THE RIGHTS ISSUE AND THE BONUS ISSUE AND USE OF PROCEEDS**

The estimated net proceeds from the Rights Issue will be approximately HK\$159 million. The net proceeds of the Rights Issue would be applied as to HK\$150 million for the repayment of margin payable and as to the remaining balance for general working capital of the Company.

The margin payable is due to a securities broker of the Company as a result of trading in various listed securities through the securities broker's margin account. As at the Latest Practicable Date, the margin payable to this securities broker is approximately HK\$156 million and that the repayment of this margin payable could significantly reduce the interest expenses of the Company. The repayment of the margin payable would take place as soon as the Rights Issue is completed and currently there is no set timeframe with regards to the utilisation of the general working capital of the Company. Other than the HK\$150 million margin repayment, the Company is obliged to redeem the note (the "Note") issued to Pitta Income Fund up to an amount of HK\$8 million by October 2017. Further information on the Note is set out in the announcement of the Company dated 21 September 2016.

The Company has no plan to apply the funding of the Rights Issue for the repayment of the Note as the Note is only due for redemption in October 2017. As at the Latest Practicable Date, the Company does not have any plan to conduct further rights issue or other fund raising activities. However, should the Company identify any investment opportunity that is in line with the investment strategy of the Company and the expected return being higher than the finance cost, the Company may consider other funding methods to finance such investment.

The estimated expenses in relation to the Rights Issue, including financial, legal and other professional advisory fees, underwriting commission, printing and translation expenses are approximately HK\$7.6 million and will be borne by the Company. Having considered other fund raising alternatives for the Company, such as issue of unlisted notes and placing of new Shares, and taking into account the benefits and cost of each of the alternatives, the Rights Issue allows the Company to strengthen its balance sheet by raising long term equity fund without the need for payment of interest and repayment. The Board considers that the Rights Issue is in the interest of the Company and the Shareholders as a whole as it offers all the Qualifying Shareholders an equal opportunity to participate in the enlargement of the capital base of the Company and enables the Qualifying Shareholders to maintain their proportionate interests in the Company and continue to participate in the future development of the Company should they wish to do so. In addition, the Bonus Issue will be issued as an incentive for the Shareholders to take part into the Rights Issue. However, those Qualifying Shareholders who do not take up the Rights Shares to which they are entitled should note that their shareholdings in the Company will be diluted.

## LETTER FROM THE BOARD

The Company has considered fund raising by issuing debt security or debt financing but the Board considers that any further debt financing or borrowings would worsen the gearing ratio and incur further interest expenses of the Company and it is the intention of the Board to reduce the gearing ratio and interest expenses of the Company to a more favourable level to improve the rate of return of the Company's investment portfolio. Therefore, the Board has ruled out debt financing as a source for raising funds in this occasion.

The Board also considered placing of new Shares. However as placing of new Shares would be on a best efforts basis of which the success is not guaranteed and the size of any placing would not be sufficient to meet the funding requirement on this occasion, placing of new Shares was not considered by the Board when it was considering the Rights Issue and hence did not proceed further. The Board considers that rights issue would be more favourable and attractive to the Shareholders than open offer because it would allow Shareholders to have more flexibility in dealing with the Shares and the nil paid rights attaching thereto.

The Board considers that disposal of investments in the Company to the extent required to fund the current funding needs of the Company would involve the disposal of a significant amount of the Company's current investment portfolio and it would have a significant detrimental impact on the future earnings and returns of the Company. The Board considered that disposal of investments would not be in the best interests of the Company and Shareholders for the purpose of raising funds to meet the Company's current funding needs.

The Rights Issue, when compared with other forms of equity fund raising, would offers the existing Shareholders the opportunity to participate in the future growth of the Company as it allows existing Shareholders to subscribe for Rights Shares in proportion to their existing shareholdings in the Company without having their relative shareholdings being diluted and the Board considers that the terms of the Rights Issue with Bonus Issue are fair and reasonable and in the best interest of the Shareholders as it allows existing Shareholders to participate in the future growth of the Company without having their relative shareholding diluted and it will improve the capital base and gearing ratio of the Company.

The Board, having considered the amount of funding required by the Company, the attractiveness of the Rights Issue with Bonus Issue and the par value of the Shares, considers that the current structure and the terms of the Rights Issue to be fair and reasonable and it is in the best interest of the Shareholders as the Rights Issue would strengthen the capital base of the Company and improve its gearing ratio.

The Company approached five financial institutions including the Underwriter concerning the Rights Issue with Bonus Issue based on the current proposed structure. Out of the five firms, two have indicated that they are not interested in participating in underwriting the Rights Issue and the other two firms quoted underwriting commission that is higher than the one offered by the Underwriter. Furthermore, the Underwriter was the underwriter to the rights issue of the Company which was completed in January this year and hence the Underwriter has a proven track record of successfully underwriting Shares for the Company in the past.

The Directors consider that the Rights Issue and the Bonus Issue are fair and reasonable and in the interests of the Company and the Shareholders as a whole having taken into account the terms of the Rights Issue and the Bonus Issue.

### **WARNING OF THE RISK OF DEALINGS IN THE SHARES**

- (v) **Additional factor in making investment decision:** Where possible (but not compulsory), the Company's Funds shall be invested in entities where there is a certain degree of synergy with other investee entities and where co-operation between such companies would be of mutual benefit to each other;

The Company may, however, realise investments where the Board, the research and operation team of the Company, the Investment Manager, or such committees or person as the Board may authorise from time to time, believes that such realisation would be in the best interests of the Company and its shareholders as a whole or where the terms on which such realisation can be made are considered by the Board to be particularly favourable to the Company; and

- (vii) **Preservation of Company's Funds:** Before suitable investments are identified, the Company may seek to protect the capital value of the Company's Funds by placing the funds not deployed on deposits in Hong Kong Dollars or any currency with financial institutions in Hong Kong or investing in debt securities, money market instruments, bonds, treasury securities or other instruments denominated in any currency.
